WEB DEVELOPMENT-WORDPERES

## ABOUT ME

I'm Taher Saeifi, 27 years old, and I've been living in Istanbul since 2022. For the past two years, I have been working professionally with WordPress. Although I don't have a university degree, I've gained enough experience and skills in web design. I'm looking to grow and develop further in web programming. My goal is to achieve greater success in this field through continuous effort and learning.
